Children discover the joy of learning at TIPS

Cultivating bright and courteous future members of society

Engaging Activities

Building a healthy sense of self-esteem

Exciting school trips

5 Reasons to Choose Tamagawa International Preschool (TIPS)

Secure and Comfortable Environment

Our classrooms are warm and inviting with lots of natural sunlight from the school garden. During nice weather, children enjoy lunch and even classes in the school garden. There are two nice parks nearby for daily outdoor play.

Learning Through Hands-On Experiences

Children learn through play. We put an emphasis on learning through hands-on experiences rather than textbooks. Your child will learn about the world around them and discover the joy of learning through our program.

Real Learning Opportunities

Our school calendar is filled with various seasonal and cultural events. Events have included a visit from police officers, Japanese calligraphy and tea ceremony specialists. Our weekly Phys Ed., music and art classes are all taught by our qualified staff.

Professional, caring teachers

Our qualified staff work together to support the development of your child's healthy self-esteem. Our teachers are caring and supportive individuals whose goal is to foster the development of courteous, kind future members of society.

Support for your family's busy schedule

Before and after school care are available during school hours from 8am till 6pm to support busy parents. Afternoon school (3pm to 5/6pm) is available to children from 1 1/2 years to 8 years of age. Summer/Winter/Spring school programs are also available. Lunch orders can be arranged through the school.
